DETAILED ACTION

Allowable Subject Matter

Claims 1-11 are allowed.

The following is an examiner's statement of reasons for allowance: Prior art does not teach in combination with the other limitation of the independent claim oil separator including a cylindrical body having inner and outer cylinders defining therebetween an annular oil separating chamber having a closed end, wherein said cylindrical body being press-fitted to and fixed in the communication passage, with an end portion thereof on a side near the closed end of the oil separating chamber directed to a downstream side in a direction of gas flow, said outer cylinder is spaced from a communication passage-forming portion of said housing so as to define a gap therebetween, extends along a slit formed in the communication passage-forming portion of said housing, and is formed with an opening so as to be directed tangential to the oil separating chamber and to face part of the slit, and said gap communicates with the inner cylinder which in turn communicates with the oil separating chamber and the outlet..

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
